THAT'S THE "BECOMING CHARACTER!"

The Story So Far

- Because Amu was actually a slow talker she couldn't be honest. One day she wished to change into the personality she really wanted to be and 3 guardian characters were born.
- Each of the girls has a single personality, but it's surprising that each one also had a specialty: Exercise, Painting, and Cooking.
- And then she was scouted by the Guardians, who also have characters. Her first job is to pursue the X-Eggs born from a troubled heart, X-Egg hunting. But suddenly Becoming Character happened.....!?

Ran
The first guardian character that was born. She's honest and athletic.

Miki
The second guardian character, with a talent for the fine arts. She's a little cool.

Suu
The last guardian character to be born, she likes cooking.

Hinamori Amu
5th year Seiyo Elementary student. There were rumors of her cool personality but.... One day 3 eggs were born!?

I've been thinking about a 'cheerleader-like' team, yelling "yeah yeah" (^_^;)~♂
Although I myself wouldn't want to wear those goth-punk clothes, I like to look at and draw them! Speaking of which, I'm fascinated by people who dress well.

Q3: Tadase or Ikuto, which group?
A3: Not the one you like, of course!

Thank you for all the letters! I'm sorry I couldn't answer all your questions. I'll answer more questions in the 3rd one. Let's meet again in volume 3~!

YOU'RE CALM, WITH THE EXCEPTION OF SCHOOL— DON'T ACT LIKE THAT.
UGH, YOU...

WHY A SCHOOL TEACHER, EVEN THOUGH YOU HATE KIDS?
AHA HA HA! IT'S A BAD HABIT.
THE EMBRYO IS A SPECIAL EGG.
IT'S OVERFLOWING WITH THE DREAMS AND WISHES OF CHILDREN, THE EGG IS MOST LIKELY HIDDEN.
WELL,
IT'S MY STRATEGY FOR EFFICIENT RECOVERY OF THE TROUBLED CHILDREN'S EGGS.
